NOTES:

Split views on the ceiling rule. Consensus against USAV's looser under net rule, or at least concern over how it has been interpreted in KAIAC allowing unsafe play. Split on discussion of double elim vs the placement bracket used. Split views on simply switching to FIVB vs USAV.

Commissioner: Jim Milliken SFS  
 Tourn Director: Tom Zimmer SFS

KAIAC BY-LAWS pgs 33-35

A. Volleyball

The USA Volleyball rules will be followed with limited exceptions. Modifications to

the USAV rules will be decided at the KAIAC board level. KAIAC competes in three divisions (Blue, Red, and White) with both boys' and girls' teams.

The following are important rule clarifications and modifications of note:

1. Team Roster, Uniforms, and Order of Games

A maximum of 12 players may suit up for each varsity and junior-varsity conference and tournament match. A roster of team members will be presented at the official scorers' table and to the opposing varsity and junior-varsity coaches before each match. The team members should wear like-colored and design uniforms with easily read numbers on the front and back of the top. The only exception would be the Libero player (see Paragraph A-6). The established order of matches will be: 1) girls' junior-varsity; 2) girls' varsity; 3) boys' varsity; 4) boys' junior-varsity (if played). Exceptions to this order can be made with the approval of the two opposing teams and the referee detailer within 48-hours of the matches or when the school has

two courts available.

2. Pre-Game Procedures

Prior to each match, referees will re-check the height of nets and pressure of the match ball. Coaches and officials will meet prior to the match to discuss any procedures and local facilities and conditions that might influence play. The referees and the team captains will also meet just prior to the match to discuss any procedures; local facilities and conditions that might influence play; and "coin toss" to determine first service. If needed, a "coin toss" will be done prior to any 3rd or 5th deciding set. A warm-up time of approximately 15 minutes will begin as

KAIAC BY-LAWS

34

soon as both teams take the court. After the initial "coin toss," the head referee will supervise the warm-up periods with the serving team having the use of the court first with a five-minute warm-up. The final five-minutes is for both teams to practice serving simultaneously. The captains can elect to have separate warm-up periods with only one team on the court at a time.

3. Floor Captain

The player captain on the court will serve as the official spokesperson with the referee when questions about a call, procedure or request for rotation check. The team captain is permitted to stop play to ask a question of the referee so long as

KAIAC BY-LAWS pgs 27

**HILL FORMULA - VOLLEYBALL  
ALL-CONFERENCE & ALL-TOURNAMENT  
SELECTIONS**

Number of Teams in Division	7
Number of Players on Starting Team	6
Total Number of Players in Division	42

**SPECIAL AWARDS:**

- MVP
- Best Hitter
- Best Passer
- Best Server
- Best Setter
- Coach-of-the-Year

## Archive 2013-14 KAIAC BLUE Volleyball Boys - Team Standings - KAIAC Constitution on VB

the service whistle has not blown. The captain is not limited to the number of times that he/she can stop play to ask the referee for an explanation on the application

or interpretation of the rules.

### 4. Substitutions

There are no restrictions as to the number of entries for each player and a maximum of 12 team substitutions are permitted per set. Substitution of players may be made on the request of either the playing captain on the court or a coach off the court when the ball is dead and when recognized by either referee.

### 5. Swing Players

“Swing players” are determined on a “game to game” basis for those who will play varsity and junior-varsity. These players may play on only one level, varsity or junior-varsity, per day of competition. “Small schools” with limited rosters may swing players to complete a full roster. Players who do this may only play a combined five volleyball sets (junior-varsity + varsity = 5 sets) per head-to-head competition. A varsity starting player may not start a juniorvarsity match.

### 6. Scoring for Varsity & Junior-Varsity Matches

Varsity matches will be played best 3 out of 5 sets to 25 points rally scoring. The winning team must take the set by 2 points. A deciding fifth set will be played to 15 points rally scoring. Again, the winning team must take the set by 2 points. The final score has no ceiling. Junior varsity matches will be played best 2 out of 3 sets to 25 points rally scoring. The winning team must take the set by 2 points. A deciding

third set will be played to 15 points rally scoring. Again, the winning team must take the set by 2 points. The final score has no ceiling.

### 7. Double-Header Matches

Periodically, because of scheduling difficulties two teams may mutually agree to play two matches in one day. If such matches are played on a weekday, varsity and junior-varsity will play best 2 out of 3 sets to 25 points rally scoring. The winning team must take the set by 2 points. A deciding third set will be played to 15 points rally scoring. Again, the winning team must take the set by 2 points. The final score has no ceiling. If such matches are played on a Saturday or there are two separate courts in which to play, varsity will be play best 3 out of 5 sets to 25 points rally scoring. The winning team must take the set by 2 points. A deciding fifth set will be played to 15 points rally scoring. Again, the winning team must take the set by 2 points. The final score has no ceiling. A Saturday junior-varsity match will remain best 2 out of 3 sets.

### 8. Player Unsportsmanlike Behavior

A player's behavior that the referee would judge to be a disruptive influence on the match or be considered unsportsmanlike can result in a "yellow or red card." The yellow card is considered a warning. A second yellow card or red card will result in that player being ineligible to continue play. If a player receives a red card

#### A. Volleyball (Continued)

during any set, he will be ineligible to play the remainder of that match and the next match, either regular season or tournament. An official may give a red card at any time, but a second yellow card is automatically counted as a red card for any one

#### KAIAC BY-LAWS

35

player in a game. The offending individual will be asked to leave the playing area. The name of the offending player will be sent to the KAIAC President by the referee in order to inform the conference schools.

#### 9. Coaching

Coaching will be permitted from the sideline of the court. This is interpreted to mean that the team may receive instructions from the bench area.

#### 10. Coach's Unsportsmanlike Behavior

Unsportsmanlike coaching, which would be any action the referee judged to be a disruptive influence on the match, will not be permitted. Examples include tactics designed to delay the game, continual jumping up from the bench, pacing the bench area, loud or abusive language, comments to opposing teams, throwing of objects, or displaying temper or disgust in any overt manner.

Disruptive or un-sportsmanlike coaching as interpreted by the referee may result in a "yellow or red card." A second yellow card or red card received anytime during the game will result in that individual being ineligible to coach the remainder of that match and the entire next match, either regular season or tournament. The offending individual will be asked to leave the playing area. The name of the offending coach will be sent to the KAIAC President by the referee in order to inform the conference schools.

#### 11. KAIAC Tournaments

a. Blue, Red and White tournaments for boys' and girls' will be held at the end of the conference season utilizing the Tournament Competition Procedures found on pages 15-16. All KAIAC teams will participate in the KAIAC postseason tournaments.

b. If at the end of the season two teams have the same conference record, they will be declared co-champions or co-holders of that place and seeding will be determined by the Tie-Breaking Procedures found on page 16.

12. Line Judges

Each school may choose to pay line judges through the referee association for home

matches. If they are unable to acquire line judges through the association, they may choose to pay or volunteer line judges from their own staff or student population.

These line judges should be trained in exactly what they are expected to perform during a match. Each athletic director should inform all opposing schools and KSOA at the beginning of the season whether or not line judges will be used. All calls made by these judges may be overruled by the floor or net referee.
