A. Volleyball

The USA Volleyball rules will be followed with limited exceptions. Modifications to

the USAV rules will be decided at the KAIAC board level. KAIAC competes in three divisions (Blue, Red, and White) with both boys' and girls' teams.

The following are important rule clarifications and modifications of note:

1. Team Roster, Uniforms, and Order of Games

A maximum of 12 players may suit up for each varsity and junior-varsity conference and tournament match. A roster of team members will be presented at the official scorers' table and to the opposing varsity and junior-varsity coaches before each match. The team members should wear like-colored and design uniforms with easily read numbers on the front and back of the top. The only exception would be the Libero player (see Paragraph A-6). The established order of matches will be: 1) girls' junior-varsity; 2) girls' varsity; 3) boys' varsity; 4) boys' junior-varsity (if played). Exceptions to this order can be made with the approval of the two opposing teams and the referee detailer within 48-hours of the matches or when the school has two courts available.

2. Pre-Game Procedures

Prior to each match, referees will re-check the height of nets and pressure of the match ball. Coaches and officials will meet prior to the match to discuss any procedures and local facilities and conditions that might influence play. The referees and the team captains will also meet just prior to the match to discuss any procedures; local facilities and conditions that might influence play; and "coin toss" to determine first service. If needed, a "coin toss" will be done prior to any 3rd or 5th deciding set. A warm-up time of approximately 15 minutes will begin as KAIAC BY-LAWS

soon as both teams take the court. After the initial "coin toss," the head referee will supervise the warm-up periods with the serving team having the use of the court first with a five-minute warm-up. The final five-minutes is for both teams to practice serving simultaneously. The captains can elect to have separate warm-up periods with only one team on the court at a time.

3. Floor Captain

The player captain on the court will serve as the official spokesperson with the referee when questions about a call, procedure or request for rotation check. The team captain is permitted to stop play to ask a question of the referee so long as the service whistle has not blown. The captain is not limited to the number of

4. Substitutions

There are no restrictions as to the number of entries for each player and a maximum of 12 team substitutions are permitted per set. Substitution of players may be made on the request of either the playing captain on the court or a coach off the court when the ball is dead and when recognized by either referee.

5. Swing Players

“Swing players” are determined on a “game to game” basis for those who will play varsity and junior-varsity. These players may play on only one level, varsity or junior-varsity, per day of competition. “Small schools” with limited rosters may swing players to complete a full roster. Players who do this may only play a combined five volleyball sets (junior-varsity + varsity = 5 sets) per head-to-head competition. A varsity starting player may not start a juniorvarsity match.
